PROCOLOR

SUBLIMATION

OUR T-SHIRT FABRIC

Cotton Feel

100% POLYESTER

Cotton Feel polyester T-shirts offer the softness of cotton with the durability and easy sublimation of polyester. **Ideal for uniforms, promotions, sports events, merchandising, and event souvenirs**, they provide comfort, breathability, and a professional look, perfect for brands seeking quality and durability.

Performance

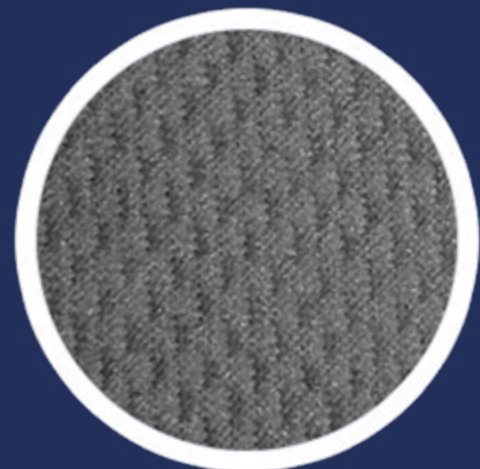

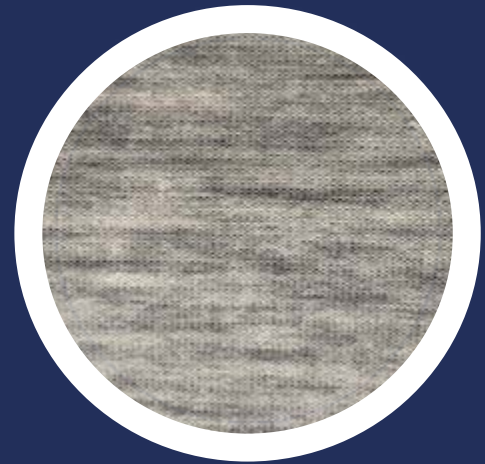

100% POLYESTER

Performance fabric is ideal for activities that require lightness, breathability, and durability, as it wicks moisture and dries quickly. **Ideal for promoting at sports events, brand activations, and trade shows**, where functional clothing that allows freedom of movement is needed. Its durability and easy sublimation ensure a professional finish.

Cool Max

100% POLYESTER

CoolMax fabric is a high-performance material designed to keep the body dry and cool. Its moisture-wicking technology makes it **ideal for sports events, brand activations, and promotional uniforms**, where breathability and comfort are key. Additionally, its easy sublimation ensures vibrant colors and a professional finish.
